

CUPE Local 1842 Mission Statement

To secure and promote fairness, safety, diversity, and dignity for every member. The Union will promote human rights and serve for the common good of all members. We share the commitment to achieve a just workplace through collective bargaining, inclusiveness, and compassion for our community and the Paramedic profession.

Values

Solidarity – We stand together in solidarity to overcome challenges with the common interest of improving workplace conditions, and overall health among our members.

Equality – We as a local will ensure all of our members have access to equal opportunity within the workplace.

Advocacy – CUPE Local 1842 believes our success is dependent upon our ability to be effective advocates for the rights and needs of our members and our communities.
